Pledge-a-thon for Workplace Equality
2nd National Day of Action

Sign the Pledge of Support for Workplace Equality and plan to Clock In on May 15 by participating in Lambda Legal's Pledge-a-Thon.

My Pledge

I believe that workplace discrimination against lesbian, gay, bisexual and transgender (LGBT) people and people living with HIV is wrong. I pledge to support workplace equality whenever I can and will strive to do one or more of the following:

- Treat LGBT people and people living with HIV with respect in and out of the workplace.
- Get educated about forms of workplace discrimination that LGBT people and people living with HIV experience.
- Help make my workplace LGBT- and HIV- friendly.
- Support my co-workers' (or employees') right to form an LGBT employee resource group.
- Help improve policies in my workplace that protect the rights of LGBT workers and workers living with HIV and work to carry out existing policies.
- Help improve laws protecting the rights of LGBT workers and workers living with HIV on the local, state and federal level.
- Speak out if I witness workplace harassment or discrimination at work or in the community.
